Port Arthur anniversary

Today marks the 15th anniversary of the tragedy at Port Arthur.

The Alannah and Madeline Foundation was set up in memory of Alannah and Madeline Mikac who were tragically killed with their mother and 32 others on the 28th of April, 1996.

"In 1997, the Foundation, a national charity, was established to keep children safe from violence and 14 years on, we continue to be focused on this mission," said Dr Judith Slocombe, CEO of The Alannah and Madeline Foundation.

"In our 14th year, the Foundation continues to care for children who have experienced or witnessed serious violence, and help thousands of children across Australia through our bullying and cyberbullying prevention programs."

Our vision is that every child will live in a safe and supportive environment.

The Foundation relies on donations and the broader community to support our work. For more information, or to make a donation, please visit amf.org.au
